

A DECADE OF **IMAGINATION**

# INTRA COLLEGE TECHFEST

## 404: NOT FOUND (WEB DEVELOPMENT)

This event is based on the website designing techniques. Here the participants will be tested on their basic **HTML** and **CSS** knowledge.

This event will be of **ONE** round.

Duration- **1 hour 30 minutes**

- This will be an **INDIVIDUAL** event.
- The code for a website will be given and the participants need to find the errors and fix it.
- The participants may be asked to add certain new features to the website.
- The participants will be awarded points for every successful attempt towards fixing an error or adding a feature.
- The contest is divided into smaller tasks and each task carries points to it.
- The participant with most points at the end wins.
- No internet access will be provided during the event.
- In case of a tie time of solving the problem will be taken into account.
- Decision of the coordinators will be final.
